

Field Day

June
2000

Here a few shots from this years field day. 73 Tom VE3TSA

This is the Field Day site, the QTH of Gene and Randi McDonald. As last year, we had the loan of the Sydenham Sportsmans Assoc. trailer which makes a great location for 2 stations. Our thanks to them for their help and support.

The club rents this tent for field day, which we have for several years now. Good thing too because it rained buckets that night. There's something about the sound of rain on the roof...Hmmm

This is a great way to get young people interested in communication and the hobby in general. Who knows where it might take them.

This is our hostess Randi McDonald, a fine gal. especially for putting up with the likes of us. Cheers

Bill VE3HMZ and his wife. Joe VA3JNA, Bob VA3QQ, Bert VA3AEG and Stan VA3ZON. (feel free to help out with any names I miss)

Bernie VE3BQM, Susan VE3TLK and Henry VE3TTV. (That's Norm VE3MTV behind Henry)

Norm VE3MTV chatting with Joe VA3JNA. Probably hoping the guy with the camera would take a hike

Steven VE3SEG, Ian VE3HXX and Barry VA3WBG. Barry and Steven were in the last GBARC radio course so it's really nice to see them at field day. A fine way to spend a weekend.

Mary VA3ILT and Tex VE3USI joined the club at field day.

Hers is Jim VA3CJM and Marv VA3ACI. Marv tells me he's moving to Pembroke in the near future, where he grew up. I guess maybe sometimes you can go home. The best of luck to Marv and Anna, I really hope you have a long healthy retirement. 73

Stan VA3ZON, Bob VA3QQ and Merv VE3MVS plotting world domination. Hey, which ones pinky....

This ones a bit hard to see but on the left is Chris VA3MUM, then Anna, Randi, Gloria sitting and Amanda.

Tom VA3BBH, Ian VE3HXX and Bert VA3AEG, operating 80M ssb.

Chris VA3MUM and Anna.

This is me, Tom VE3TSA or sometimes VA3TS.

Henry VE3TTV operating 40M CW, with Bob VE3LKD logging. Susan is in the background, studying the procedure. Susan is also one of our new hams.

Again Henry and Bob, this time Susan's smiling because I'm telling her it's her turn to get on the air.

Sure enough, first time on the air, and she did a great job. Congratulations.
